If you feel your child has specific learning traits that need to be considered for class placement, please provide the following information and return your completed form to the Mary Martin office.

Describe the learning environment that best suits your child's needs:

Share special concerns you have about your child's class placement for next year:

It is my belief that the following teachers would meet my child's learning needs:

1st Choice

2nd Choice

I understand that my request does not guarantee my child's class placement. Factors such as class size, coordination of programs, adverse student combinations, instructional needs, and other factors may prevent my child from getting one of these two teachers. Students are not assigned based on friendships with other students. The final decision rests with the elementary school principal.
