

## 1. Parent Survey Intro

Weatherford ISD Parents & Families,

Your feedback is important as we strive to serve you better. Please take a few moments to complete the 2010 WISD Parent Survey to help us learn what we are doing well and where we might improve. If you prefer, you may complete the survey on paper. Forms are available at your child's school.

Results from this survey are used to monitor parent opinions and involvement on WISD campuses and to make needed improvements to our processes. The results of our survey will be distributed to each campus Principal, district administrators, and the Board of Trustees. The district results report will be available this summer on the WISD website under the Parent link.

Your responses to the survey items are completely anonymous.

If you have any questions or concerns about the survey, you may contact the WISD Community Relations Department at 817-598-2956.

Thank you for taking the time to help us understand our strengths and opportunities for improvement.
