

District Clothes Line Project

The District Clothes Line Project is a service provided by people in our community to clothe children in our schools.

We take donations of gently used clothing, coats, and shoes to give to children in need in grades Pre-Kindergarten through High School. All donations need to be washed and without any visible signs of wear.

We are in need of volunteers to help sort through the clothing. Volunteer an hour, a day or as much time as you can to help us with this valuable service for our community.

If you would like more information on donations or volunteering, please contact our Coordinator:

All help is welcome and appreciated.
