

Alma Mater - The Blue and White

**There's a school down in Texas
They call the "Blue and White".
It's a school with standards high;
It's a school that stands for right.
With a faculty that guides us
To higher, better things,
With students that are loyal,
To Weatherford High we sing.**

**Dear old Weatherford High forever.
You'll have our heartfelt praise.
You will always have our thanks.
You've served us a thousand ways.
Weatherford High, we'll always be...
Loyal, faithful, true to you.
We'll sing your praise where'er we go,
Our own dear "White and Blue".**
