

Blue and White Fight Song

When the blue and white
Go forth to battle,
Every son of Weatherford High
Heeds the call to go
Rally to the banner
With the spirit and the will to do or die.....

So we'll fight, fight, fight
To win the victory.
With a rush,
We'll sweep our foes away.
For we have got the team,
And we have got the steam.
That's why we'll win
This game tonight.
